CELEBRATION TRADING

WHAT WE DO!

SOLUTION DEALS OF INDUSTRY SURPLUS

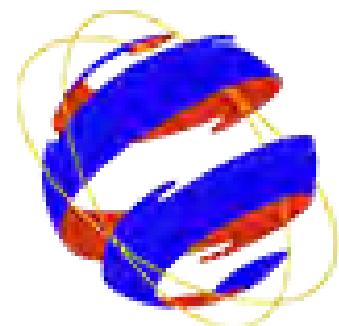

We buy, sell, and manage excess stock from Brazilian industries, aiming to facilitate and expedite satisfactory results for companies involved in buying and selling.

SALE EXW USA/SHZ

We serve our Brazilian clients in critical line stoppage items such as electronic components and machines, providing spare parts within 24 hours.

WHO WE ARE!

With 37 years in the Brazilian and global electronic market, we are a group of companies designed to find solutions to meet the needs of the Brazilian and global markets with logistics, agility, and quality.
